## **About the American Retirement Association**

Based in the Washington, D.C. area, the American Retirement Association is a non-profit professional organization with two major goals: to educate all retirement plan and benefits professionals, and to create a framework of policy that gives every working American the ability to have a comfortable retirement.

As part of that mission, for more than half a century, the American Retirement Association has developed and distributed education programs, information resources, and professional credentials that have become the gold standard for retirement plan professionals in every field of endeavor.

More than 30,000 members strong, today the American Retirement Association is comprised of five premier retirement industry associations; the American Society of Pension Professionals & Actuaries (ASPPA), the American Society of Enrolled Actuaries (ASEA), the National Association of Plan Advisors (NAPA), the National Tax-deferred Savings Association (NTSA), and the Plan Sponsor Council of America (PSCA).
